- IV. [22-7630](#) Jackson County/University of Illinois Outdoor Recreation Survey
Dr. Payne began a discussion of what information and themes her group would get out of the meeting and that once the information had been reviewed and written up, a draft copy would be given to the NRED group. The discussion was basic. Payne asked the NRED members to share what inspired them to join the NRED group and what they wanted to bring to the natural resources of Jackson County. Common themes of the discussion were ability to engage in outdoor activities, bringing revenue and economic development back to the county, sustainability, quality of life, and affordability.
