Communications

Old Business

- II. [21-5861](#) Approval of 2021 Goals
The committee decided to add the number of grants they wanted to find and apply for in 2021 on their 2021 Goals. They decided on 3 grants for 2021.
A motion was made by Carrier, seconded by Beckman, to approve the NRED 2021 Goals with the above mentioned addition. The motion carried by unanimous vote.
- III. [21-5863](#) Outreach Update
Tanner noted that he would work with Maxwell to get the document they had been working on to the County Board Office. The office will complete keying in the remaining information and will request information from local land managers to help gather the needed information.
-

New Business

Beckman discussed GIS technology and how that could be implemented in the County to create maps of natural resources available to the public. The County Administrator noted that she could reach out to the Assessments department to find out what the County currently has and what the County could create and use going forward. Carrier noted that his Climbers Association was purchasing a new climbing area located in Jackson County which would add 20 acres of climbing access. Tanner noted that he was hoping for a May 1st grand opening of a new bike route at Touch of Nature.

- IV. [21-5862](#) Email Addresses
The County Administrator noted that there is one county email address for the committee. The committee agreed, after discussion, that the County Administrator would forward any emails that go to the newly created address to the committee. The County Administrator asked that the committee update the email address they would like to use with the County Board office.
