II. 2023-260 Jackson County Liquor Truck License

The County Administrator commented that she had done some research and noted that there were no state requirements or verbiage for licensing a liquor truck. She also commented that she had looked into other counties in the state and could not find mention on licensing a liquor truck. The liquor board had a lengthy discussion concerning pricing, enforcement issues, and overall requirements the County would need to have in place if it was decided to issue licenses for liquor trucks. The board decided to leave the item on future agendas for discussion, but to have the State's Attorney's Office suggest parameter requirements before any final decision could be made.
