Survivor Empowerment Center - Presented application; answered questions from the board regarding the agency.

The 708 Board members reiterated the point that the agencies should provide detailed demographic information for Jackson County residents in their funding applications and the importance that this information would play when recommending their budget request to the Jackson County Board. A few agencies were asked to provide more detailed information on demographics, and it was asked that the committee coordinator email the updated responses to the Board members.

Adjourn

(6:57pm)

A motion was made by Snyder, seconded by Flowers, to adjourn the meeting. The motion carried by unanimous vote.
