Chair's Report

I. 2025-965 FY26 Draft Budget

The Board went through each Office/Department and asked questions pertaining to their budget. The Supervisor of Assessments mentioned that even though her postage and publishing notices got cut, according to the statute, she is required to do these things so she needs the amount she budgeted for. The Highway Engineer reported that because of a grant he received, he was able to cut his levy by \$30,000.00.

*A motion was made by Erbes, and seconded by Ikner, to approve the Draft Budget to go to the full board. Roll call vote passed as follows: YES: Snyder, Erbes, Ikner, Battrell, Rendleman
