Old Business

Lister brought up the subject of the by-laws. Some committee members feel the bylaw changes should have gone through the Legislative & Public Safety Committee prior to going to the full board. They feel they didn't get to make recommendations and there should have been special wording on the agenda for them to discuss the by-laws as presented.

New Business

Presley was wondering if Carbondale Main Street could get individuals that are in custody with the state to help with cleaning up Carbondale like they did with Animal Control.

Executive Session

(6:10)

A motion was made by Knust, and seconded by Miller to adjourn the meeting. The motion carried by unanimous vote.
